Bertha Dudde was born on 1. April 1891, as the second oldest daughter of a painter, in Liegnitz, Silesia. She became a dressmaker and began to receive pronouncements from God through the 'Inner Word' on 15. June 1937.

"In a clear dream I was moved to write down my thoughts after devout prayer. Understandably this often gave way to doubt and inner conflicts until I was convinced that I was, myself, by no means the initiator of these exquisitely gracious words; but instead it was the spirit within me, in other words, the love of the Heavenly Father was obviously responsible for them and introduced me to the truth".

"I was given knowledge of the spiritual world which far exceeded my elementary school education. I received and receive this knowledge as a dictation in a state of complete consciousness; I write down everything I am told in shorthand, in order to then transfer it word for word to clean copy. The procedure does not take place in a state of compulsion, for example in a state of trance or ecstasy, but in an absolutely level-headed frame of mind. However, I have to want it to happen and then I can receive these dictations voluntarily; they are neither bound by time nor place."

"Now I only have one wish, which is to be able to make these gifts of grace accessible to many more people and in accordance with the will of God Himself to be allowed to do much more work in His vineyard."

(Quotations from an autobiography from 1959).

Bertha Dudde died on 18. September 1965 in Leverkusen, Germany.

Bible message is teaching of love.... Jesus' explanation.... Transcripts....

You must be taught by the spirit within you or you will remain without knowledge. But it can only become active if you live a life of love.... And therefore My mission as a human being on earth initially consisted of conveying the divine teaching of love, for the human being's compliance with it first had to change him such that it enabled the spirit within him to become active and only then were further spiritual instructions possible. However, at the time of My life on earth people had so much diverged from love that they had to be informed time and again and in ever greater detail of the consequences of their heartlessness and the commandment of love had to be constantly preached to them, and I was only able to initiate a few into profound knowledge. Yet it would not have been wise on My part to impart this knowledge to people in general, because without love it remains dead knowledge without result. And therefore it was My will that My disciples' transcripts were preserved in such a form that they indeed lack profound knowledge but nevertheless contain the teaching of love, and anyone who follows it will also penetrate into deeper knowledge if he seriously desires it.

I Myself have certainly shared an abundance of knowledge on earth, yet I also knew My listeners' hearts, I was aware of their degree of love, their will and their realisation of My Personality which made them accept the knowledge they were offered as the only truth. I also instructed My disciples and through pouring out My spirit after My ascension I enabled them to impart to their fellow human beings the same information they received through the spirit, and thus people who were brought the Gospel by My disciples were well taken care of, but since a life of love is always a prerequisite in order to understand profound spiritual knowledge and derive the blessing from it, the commandment of love was intended to be passed on to future generations and was therefore written down by My disciples on My instructions, so that it would be preserved as I had taught it on earth. And My way of life, which was meant to serve as an example to all people, was also a subject of the transcripts which, as My disciples' legacy, were left to humanity but which are missing more profound knowledge because this is My will. For anyone who wants to draw the knowledge from the Scriptures, which indeed include My Word, but who is without love would not know what to do with it, because spiritual knowledge is the light which is only kindled through love, which can only burst into full radiance when the human being's spirit awakens and then enlightens the person from within. Academically imparted knowledge is only valuable if it can be examined and assimilated in order to become intellectual property, but this is only ever possible with the spirit's assistance, which therefore makes love indispensable.

What is therefore more understandable than that I Myself on earth as well as in the transcripts, which came about according to My will, only ever taught love and that the commandment of love must only ever be presented to people first and foremost? What is more understandable than that the human being cannot be admonished often enough to comply with this commandment in order to attain psychological maturity? All further knowledge is just the result of a life of love and will be imparted to each individual person as is beneficial to him. For as soon as his spirit has become active he can receive unlimited knowledge, since the degree of wisdom he wants is determined by himself, and then he will no longer need to accept it from books but it will be offered to him directly from the spiritual kingdom which, however, can only be understood by a person who has awakened the spirit within himself through complying with My commandment of love, which will never be comprehensible to those who live without love and try to gain their knowledge from books. This is just dead knowledge, only the spirit will give life.... only love will grant complete understanding.... Amen

The most important commandment has to be fulfilled: Love....

You, who want to serve Me, will repeatedly be reminded of the immense spiritual darkness which necessitates My Gospel to be carried into the world, which alone is the true light that can penetrate the darkness providing it is offered in all purity, just as it once originated from Me and is now conveyed to you from above to earth again. For only **truth** is the true light.... but what became spoilt will only ever intensify the darkness. However, the reason why the darkness is so extensive is because many lies and errors were added to the spiritual knowledge which guaranteed the most brightly shining light when it came forth from Me.

And so it is necessary that people are correctly instructed, that they receive clarification about areas which so far were closed to them or were not truthfully brought to light. It is only important that people change their nature to love, that they overcome their selfish love and change it into selfless neighbourly love.... And this important teaching, the fulfilment of My commandment of love, was placed into the background whereas other teachings came to the forefront and people's endeavours were pushed in the wrong direction. Commandments are being observed and fulfilled which are utterly immaterial and don't lead to any kind of advancement for the **soul**. And love is being put aside which simultaneously means that the light cannot shine brightly, that it only glows faintly.... that people's realisation, their knowledge of truth, is therefore poor.... that they exist in a spiritually darkened state, that they have an entirely wrong view of life, that they only ever strive for material possessions because no inner light is shining for them, which can only be kindled by love.

If all preachers preached nothing else but love.... if people were only ever encouraged to give up their selfish love and practise selfless neighbourly love truly, then they would also live in the light of realisation, they would recognise the irrelevance of earthly commodities, they would establish the right kind of relationship as of a child to its Father, for all this results in selfless, divine love.... Instead people are given misguided teachings, they are obliged to perform deeds and customs which can only be valued as external formalities and can never result into changing the state of the soul, because I only value what results in a living relationship with Me.... and this living bond with Me can only be established through kind-hearted activity. And therefore I will continue sending My messengers into the world to proclaim the Gospel of love to people.... And I Myself will always convey the pure Gospel to you who want to accept it and pass it on.... For by way of divine love, which you ought to practise, you will attain a living faith, you will arrive at the inner certainty that I Am close to you and that you can associate with Me directly. And by way of the light, which was kindled in you by love, you will also receive the kind of knowledge which corresponds to the truth, you will no longer live your earthly life in a blind state but possess truthful knowledge regarding the reason for your life on earth and the goal you are supposed to reach.... hence also regarding the earthly task you ought to fulfil.

And as soon as you know the truth you will also achieve spiritual progress, your earthly life will not be in vain, you will become more and more perfect.... which, however, is only the result of receiving the pure truth from Me. And this is what you much search for and desire, then you will also partake of it.... Then you will always be considered by Me, and then My adversary will have lost all claim on you, as soon as your nature has changed itself into love again, as you were in the beginning.... Amen

Pretended worship....

The importance of enlightening you regarding the contamination of the doctrine supposed to be from Me is shown by the fact that people who mainly observe human additions are ignoring My teaching. Time and again I have to stress that only the doctrine of love is the essence of My Gospel. As soon as you realise that the sole purpose of your earthly life is your transformation to love, you will understand the significance of My teaching of love and liberate yourselves from all ceremony which, in My eyes, is nothing but ceremony, worthless formality. How much time people spend with pretended worship, performing everything from habit, displaying their undeniable spiritual decline, not making the least effort to practice love.... the only commandment I taught humanity as I walked across the earth. And the reason for this is that love has grown cold amongst people....

What, then, is the use of such 'divine service' where you fulfil duties which I cannot value? And you believe you can make up for all your heartless actions by more eager church going and fulfilment of performances invented by men. You believe to think and act righteously, and yet you are mistaken, for there is no one among you who listens to the voice of the spirit. This is the case because you are exposed to adverse influences causing you to refrain from forming your own opinion, thus preventing you from finding the truth.... and thus you, who describe yourselves as leaders of people, are preventing them from allowing the spirit to work within them. For what the spirit would teach a person is quite contrary to your system, and you call him a heretic whilst, in fact, he is My disciple, called to bring the truth to people and chosen by Me as a vessel for the reception of My spirit in order to reveal this truth to you.

You humans should only turn towards love, you should fight the love of self and always just practice the love for your neighbour.... Then you will experience a blessing that is supreme.... Your thinking will be right, your spirit will teach you from within and you will free yourselves from all wrong doctrines. You will seek solitude more often and receive a richer blessing than by the 'divine service' in which you now participate. However, he who has love will also recognise the error as human work, except he believes in it so profoundly and lively that I shall not destroy such faith.... which will bring him so close to Me that he will want to do everything he believes to be good before My eyes. But then I will judge such people according to the degree of their love and will give them sudden enlightenment as they depart from this earth.

However, such people are scarce, most merely observe customs while their faith is dead.... It cannot come alive because they lack love, which quickens faith. Although I keep preaching love from above, humanity has become so unspiritual that they do not listen to what I have to say to them. And thus they will perish on Judgment Day, for no one can attain beatitude without love Amen

Message to the formal Christians....

You humans only have one way to achieve maturity of soul on earth: you have to live in love. I repeatedly tell you that you can only become blessed through love. Time and again I have to present My commandments of love as a priority to you, because there is no substitute for a life of love, since nothing can help you achieve bliss if you do not live up to My commandments of love... Hence you can do what you like... you can zealously observe the laws decreed by people... you can comply with all regulations which are supposedly necessary... but your spiritual development will not progress one iota if you disregard love. Consequently, in all your undertakings you should consider carefully whether you are motivated to do something by the love within you or whether you merely comply with 'commandments' which were given to you by people and which are in no way related to a 'labour of love'... You should always carefully think about the reasons of your thoughts and actions and attach no importance to anything devoid of 'love'.

Particularly people who feel denominationally committed apply My commandments of love half-heartedly... They give their sole attention to traditional customs, they fulfil 'duties' which, they are told, are important, but by doing so they do not further the maturity of their soul ... and yet they should know that the maturing of their souls is the only reason for living on earth... But I keep emphasising that a life of love is absolutely necessary to achieve it, that nothing else will substitute unselfish works of love. Irrespective of how eagerly they perform the commandments decreed by people, they will not be able to accomplish the slightest progress for their souls... Therefore, everything you humans do is worthless if love is not the determining factor. And when you say 'Everything in honour of God...', how can you honour Me if you do not love Me? And how can you love Me if you ignore the hardship of your fellow human being who is, after all, your brother? How can God's love be in you if you lack compassionate love for other people by which alone you prove your love to Me? You live a wrong life if you feel committed to denominational customs and traditions, to ceremonies and implementations of duty, you are wasting the energy of life which is given to you by Me for gaining spiritual strength on earth, and this can only be acquired by deeds of love...

You humans, do take earthly life seriously, do not live so indifferently that you won't even consider whether your God and Father can be satisfied with your mere fulfilment of formalities... Consider what I Myself might ask of you if I stayed with you again as a human being, if I walked across your earth again as a human being... Do you think that I could feel pleased that you humans exist in a dead faith, that you only mechanically perform things which can never be of any value in My eyes? How do you humans imagine your God and Father to be? How can you humans reconcile My wisdom with what you have built, with what you believe to be the 'church of Christ' ...? How could I find pleasure in traditions and customs, in activities which are presented to you as 'My will'? I can and will only take pleasure in those carrying out works of love.... I will only ever acknowledge things that have their basis in love, and souls can only mature fully when the human being transforms himself into love, when he fights the love of self and becomes absorbed in unselfish love for his fellow human being... Because you are lacking love and should acquire it again while you live on earth.... You have to live a life of love or your life on earth will be in vain and you will never reach your goal... Amen

B.D. 6813, April 23, 1957

Fulfilment of humanly decreed commandments will not replace actions of love...

You humans have to understand that there is no substitute for loving actions, that you will not be able to acquire eternal bliss by other means as long as you ignore My commandments of love, as long as you do not act with unselfish love for your neighbour. Whatever else is recommended to you, apart from this active love, as being beneficial or promising happiness, is worthless and will not lead you one step forward in your perfection. And you will be offered much that will supposedly result in happiness Thus you often disregard the only helpful means to bliss. I required nothing else from you humans apart from complying with My commandments of love.... I gave you no other commandments but those which only ever necessitate your love for your neighbour, I only preached those guiding principles which intended to improve the relationship between yourselves and your fellow human beings, because I wanted to kindle the love in you which you were lacking and which had caused your wretched situation. And thus My continued concern simply relates to increasing your willingness to love, because the ability to love is inherent in all of you but your will to put it into practice is extremely poor. Consequently, only a person who, like Me, will simply preach love can be My true representative on earth, because he alone will show people the right path which leads to Me, to blissfulness.

However, you should not believe that you can replace your deeds of love with other actions or customs; you should not believe that I will be content with the compliance of commandments which were not decreed by Me and whose implementation without love is completely worthless. You won't receive any 'blessings' for it because I will not take notice of such actions and customs and neither will it save souls, because these are just human promises which I will never be able to sanction. Only love will save you from regressing into the abyss, only love will guide you into perfection, and love will always express itself with actions, because love will urge a person from within to work in divine order.

But you humans are seized by a certain amount of indifference regarding My commandments of love because you were led into thinking wrongly.... Because you were urged to comply with ecclesiastical commandments which people added to My commandments as their own work.... You now fearfully attempt to meet these ecclesiastical commandments, but rarely or never pay attention to My requirements yet nevertheless believe to live a just and Christian life. This is a serious error which was also brought into the world by My adversary.... Because your only purpose of earthly life is to kindle love and let it flare into the brightest light because this denotes the unification with Me from Whom you once separated. However, only love will be able to achieve this unification, and not the means which were given to you as 'commandments' for the attainment of eternal life, such as formal prayers, indulgences, actions and the conferring of blessings which are known as 'sacraments', which must only be regarded as ceremonies and formalities and will not provide you with any spiritual success, neither on earth nor in the kingdom of the beyond.

My adversary tried to prevent what the compliance with My commandments of love will achieve by distracting people's attention from them with external formalities and false teachings and presenting his arrangements as their priority.... Because he knew that he would find many victims, because love required people to make an effort and they are not gladly willing to make sacrifices. Thus time and again love has to be emphasized to be the first and most important, time and again I have to remind people of My commandments of love for God and other people, time and again I have to instruct them that everything else is useless without love and that actions of love cannot be replaced by anything else.... But this teaching is not taken seriously, people prefer to follow those humanly added commandments more readily because My adversary still has great influence over such people and is trying to prevent their return to Me by all means. Nevertheless, My teaching of love, which I preached on earth, is known to people and everyone with genuine aspiration will also recognise it as a priority and not be content with pointless outward appearances, with everything that did not originate from Me.... Amen

Canon law... Love of neighbour and God's Commandments

You shall not through ordinances or teachings initiated by man raise the degree of your soul-ripeness; for I assess man solely on his will to live the way that pleases Me, and to therefore keep the Commandments which I gave him in wise recognition of their effectiveness. If man's ordinances therefore conform to My Commandment of love, and hence aim at spurning man towards love, so that abiding by them signifies the practice of unselfish love of fellow man, then they also meet with My approval. For then the working of My spirit becomes evident in those men who enacted such statutes.

Every other law has no worth before Me, and I place no store by its fulfilment, because the life-force streaming to you is to be used exclusively for love-action, in order to attain to soul-maturity on earth. Your goal is to become perfect; but how are you to become perfect without love? - How can you expect graces to flow your way through the keeping of ordinances whose non-fulfilment is no offence against love?

It is the love of neighbour that proves to Me love towards me, your God and Father from eternity. He who does not love his neighbour has no proper love for Me either, which would prompt him towards deeds of love for neighbour. If therefore you pretend to, out of love for Me submit yourselves to regulations demanding performance of various external motions, then I do not recognise such love, since these are mere formalities you keep up, to secure for yourselves rewards promised by men.

This is no love-action, through which alone you can substantiate to Me your love from the heart, through which alone you can gain beatitude. All external formalities, everything recognisable on the surface has not Myself but human will as its author.

To Me only unselfish love of fellow man is well-pleasing, although this also requires external deeds. That with which you pretend to please Me I do not demand of you, wherever same is not based on My commandments of love. I want only the fulfilment of these Commandments together with sincere prayer demonstrating a will devoted to Me.

Only then can you gain possession of grace and power, for there are no ways to grace other than prayer and unselfish love.

Then however this flows to you without measure. Your entire life should be an interior one, without any pomposity; you nevertheless are called upon to witness of Me openly, you are to confess My teaching, which you must strive to follow; you are to openly stand up for your faith in Me, My name and My salvation works before the world: hence speak to fellow men, so that they too recognise your mind and what you strive for, and that this is not for the terrestrial world but the kingdom of the spirit. You are to prove yourselves as My adherents, as My proper children, in that your style of living corresponds to the demands I made on you, and still do time and again, through My Word which is conveyed from above to those who as mediators proclaim My will to you.

And if you want to fulfil My will, then your action has to be a constant acting from love, by which I shall once assess you in eternity, and not for external gestures and transactions that bring you no benefit for your soul, but rather permit man to become careless towards keeping the only true commandment - to be active from unselfish love. AMEN

Spoilt doctrine of Christ... Commandment of love

You are being taught the pure gospel and are learning to recognize the difference between My pure gospel and that which is now being taught on earth as My Word. You learn to recognize that My Word has been changed in so far as that it is being interpreted and, consequently, observed differently -that only little attention is given to that which is essential whilst the unessential is being stressed and the result is the rather poor spiritual success.

I showed mankind the only practicable way, teaching and living in accordance with My teaching, thus walking the path that all men should walk to come to Me. It is the 'path of love' which alone can secure heaven for a person, i.e., that after his physical death he can enter the spheres of light where his soul has a blissful existence close to Me. Now there is a deviation from My doctrine which can only be found hidden in a structure of man made additions, wrong interpretation and the observance of unimportant commandments which were never given men by Me and present the great danger that the only essential commandment is disregarded and thus remains unfulfilled.

What good does it do you people if you castigate yourselves, if you perform compulsory rites or worship Me with your lips, if you do not recognize the commandment of love as the foremost and fulfill it?!

You believe to worship Me with countless ceremonies, but you can only worship Me if you do what I demand of you –love Me and your fellowmen!

As long as you still find a lack of love, when looking at yourselves honestly, you are not yet on the right path, even if you keep bending your knees and castigating yourselves. This demanded by men and performed only for men whom you want to convince of your piety. But you are far from true piety as long as you do not give your fellowmen that love which also proves your love for Me, while you let your neighbors live in greatest need and distress without trying to help, while you indulge in outward gestures paying homage to the world through mundane pomp - through all that for which you invented the term: 'in the honor of God '.

I do not want to be worshipped in such a way while there is still misery crying to Me which you could alleviate if you engraved My commandments of love in your heart! Whilst I was walking on earth, I cared for the needy, the poor, the sick and the oppressed.

You who claim to be 'My followers on earth' what are you doing for the poor, sick and oppressed?

As long as you could help but do not, you are not My true followers, whether you call yourselves that or not.

I rate only the fulfillment of My commandments of love because everything else: profound faith, recognition of the truth, union with Me and, finally, everlasting bliss resulting from love and can never be gained without love, and this makes it obvious why the spiritual need on earth is so great and why people have no faith and walk in error.

My pure doctrine is the doctrine of love, which I taught on earth. When this is taught and practiced, men move within truth and have entered the path of the imitation of Jesus.

But if you disregard these commandments, no amount of outward performance will help your soul. You will remain in error and thus pass into the spiritual world. For I rate solely the degree of love attained by your soul until the hour of your death. Amen

‘Follow Me....’

Follow Me and the goal that has been set for you since the beginning will be reached by you on earth already. You have to make the effort to live a life of love which will bring you very close to the One Who is eternal love Himself. And if you now bear My life on earth in mind and for the sake of the act of Salvation appeal to Me for reinforcement of your will, you will also find it easy to live in love, for I will help you and constantly provide you with opportunities which enable you to live up to your will to love if you feel the urge to do so.

My life on earth was only a practical application of selfless neighbourly love. And the result was the unification of the Father, the Eternal Love, with Me, so that I could use His strength and might, His light and wisdom like My own possession. I was permeated by His spirit, by His strength and by His light.... And thus everything was possible for Me since God Himself was working in Me. As a human being I demonstrated that it is not impossible to be filled by the divine spirit, that thus every human being is able to work the miracles and signs I performed, that the human being can shape himself such that he, as an image of God, can utilize all powers and thus also accomplish whatever he wants.

Follow Me.... all of God’s strength is at your disposal, He does not impose any restrictions on you, He gives without measure, and you may use everything He wants to impart because He loves you.... Follow Me.... live a life of selfless neighbourly love and you will become perfect and be able to constantly enjoy God’s love and blessing. I speak to you as a human being, just as I walked on earth as a human being, Who equally had to attain divine strength through a life of love, and Who was also only able to accomplish the unification with the eternal Deity through love....

I will show you the path which you only need to travel in order to then also recognise the truth of My Word. Let yourselves be urged by Me onto this path, don’t offer Me any resistance, try to do kind-hearted deeds and your strength will increase, your will to love will be stimulated, for love itself is strength and if you practice it, whatever you give will also flow back to you again as strength.... Try it and let My Words touch your hearts, let yourselves be called by Me and follow Me.... I Am the voice in the wilderness of your life. Everything around you threatens to wither away if you don’t irrigate the arid area with the divine flow of love.... if you don’t develop all good instincts through love and increase the strength within you. Do not let My call go unheeded, take notice of it and bear in mind that I don’t demand anything impossible from you, for I Myself as a human being had set an example for you as to what love and a human being’s will are capable of achieving.... Follow Me, and you will be and remain blissfully happy for all eternity.... Amen

*

B.D. 5927, April 12, 1954

Following Jesus.... Living a life of love....

You all should take My conduct on this earth, My life, as an example, which was purely a life of selfless neighbourly love.... Try to follow Me and only ever try to live a life of love too, then you will take the same path and surely reach the goal. I descended to earth because people were taking the wrong paths which never led upwards but only ever took them further down. And for this reason I showed you the right path and called upon all people to follow Me on this path.... And I instructed people because they failed to realise **why** a life of love would enable them to ascend, **why** they were weak and without strength and how they could remedy this weakness.... I informed them about the strength of love and gave them the evidence of truth about My teaching by proving **My** strength and thereby also the result of a way of life in love, as I exemplified it on earth.... I knew about people's great spiritual hardship but I also knew the means to remedy it, and thus I made a constant effort of persuading people to apply these means.... The hardship of the last days is the same, and so are the means whose use will guarantee that the human being can ascend from the abyss.... Yet people ignore what I taught them.... they don't follow Me because they don't believe in Me and My teaching. They are leading an earthly way of life which is far apart from Mine; they completely ignore love and are therefore not taking the path of ascent.... For without love there is no connection, without love there is a broad gulf between you humans and your God and Father of eternity....

Only love bridges the gulf, only love is the path to the Father's heart, and only love is the strength which lets you take the ascending path that requires strength and effort. Anyone who refuses to take the path of love will never be able to lift himself out of the abyss, and My hand cannot take hold of him to pull him up either, for he would never take hold of it as long as he is without love.... He has to follow Me of his own free will, for I do not exert any coercion if a person still resists Me. Love tolerates no compulsion yet it redeems those who are held captive.... I can only instruct you humans and strongly admonish you to practise neighbourly love, showing that you want to be able to emulate Me, so that I can help you because you have the will to follow Me. This is why you should always bear My way of life in mind and make every effort to be like Me, and then you will surely experience My help, for anyone who keeps his eyes on Me will also receive the strength to take the path of following Jesus.... and he will indeed reach the goal of being united with Me.... Amen

Following Jesus.... A life of love and self-denial....

Anyone who is not as gentle and patient as Me, who does not practise his discipleship by discarding all attributes which conform to My adversary, who does not persistently strive for virtues that are the hallmark of a divine being, will hardly reach the goal of finding unification with the eternal Father Who is pure love Himself and Who can only unite with living creations which, like Him, have become love. My life on earth should serve you as an example, for as a human being I was subject to the same temptations as you because I had to take the only path which could lead a soul into perfection....

Like you, I had to fight against all longings of the flesh as well as against all attributes of an ungodly being or My life could not have served you as an example if I had been born without all human flaws and able to bypass the test of My will. I had to experience the depths of earthly life, i.e. I had to have the opportunity to voluntarily refrain from the same physical sins and avoid all incentives for them.... I had to fight against carnal longings and thereby strengthen and prepare the soul in Me to unite with the spirit. The sinfulness in My surroundings often sorely tested My love and patience, yet I wanted to remain gentle and whole-heartedly humble without exalting Myself.... And I took pity on My fellow human beings' weakness for not resisting temptations, and My love intensified I wanted to help those on the ground unable to get up by themselves.... For being human Myself I knew a person's weakness, and this knowledge increased My kindness and patience.

Being human Myself I was at all times able to put Myself into the situation of a sinful person's soul even though I Myself was without sin, even though I Myself, by virtue of My will, had remained victorious over all temptations of body and soul. Yet I took the strength to do so from love, and every person practising love will also muster the strength and resolve to fight against his faults and weaknesses, and he will also be victorious, for love itself is strength.... And therefore, every actively loving person will also practise all virtues which denote a divine being: he will be gentle and patient, merciful, peaceable, humble and just.... For if he meets a fellow human being with love his thoughts are loving too, and he fights all weaknesses and faults with ease. Follow Me.... live a life of love and self-denial like Me and you will release yourselves from all sinful longings, you will not become subject to sin yourselves, you will bring yourselves into line with the nature of eternal love and already find union with it on earth, and the attainment of your goal will be certain for you. Hence, like Me, you too have to take the cross upon yourselves at all times, and you should not become impatient, for if you sincerely appeal for My help I will help you carry it, and the more willingly the soul carries the cross imposed on it by the Father's love for the sake of its full maturity, the sooner it will deliver itself from earthly longings.

Follow Me and take My life on earth as an example, and you will never become subject to sin again, you will release yourselves by virtue of your determination and love, you will become free and infinitely happy beings, equipped with all divine characteristics, you will be full of light and strength in the spiritual kingdom and live blissfully happy in eternity.... Amen

How to follow Jesus....

He is My true follower who makes an effort to live on earth as I did, who stands firm in suffering, bears it with patience and perfects himself in love, for he will mature in his soul. I can only ever advise you to 'follow Jesus', for the man Jesus has taken this path on earth.... His life had truly been hard, yet He bore it humbly, He took up the battle against darkness, i.e., He tried to re-establish order and to enlighten people as to why they lived in spiritual darkness and what they should do to escape this darkness. He consciously walked the path of suffering and love.... And He shaped Himself such that I was able to take abode in Him.... And you should all walk this path and through love and sorrow try to shape yourselves such that I Myself, Who is the Eternal Love, can be present to you. You must follow Me, you must try to imitate the life I lived in the human being Jesus. And this first of all requires the will to unite yourselves with Me again.... Only love can accomplish this union, and suffering purifies your soul which still harbours many immature particles. It also spiritualises the body, so that it conforms to the desires of the spirit within you, so that it matures simultaneously with the soul and the union with Me can take place. This purification must come first, and for the sake of this purification you are living on earth.... And as soon as you take Me as an example your life on earth will not be in vain, it will take you to the goal: complete spiritualisation and unification with Me....

A human being had to become an example to you or you would always have raised the objection that you cannot follow Me because it is beyond your ability, beyond your strength.... However, the path I walked on earth as a human being Myself was so arranged that every person would be able to follow Me. Nothing impossible is demanded of you, nothing is expected of you that a sinful person cannot accomplish, for I took all your weaknesses and faults into account, I identified Myself with every person's inclination and circumstances.... for whatever they may be . . . if you live a life of love then you also gather the strength which lets you accomplish even the most difficult task.... You will grow above yourselves, for you receive the strength from Me, just as I, thanks to the love within Myself, also had the strength at My disposal which enabled Me to be victorious in the battle against darkness, in the battle against all temptations by My adversary and against all cravings of the flesh.... Love is strength, and therefore I first had to preach love and live a life of love Myself in order to set you the right example of the way of life which leads you out of the abyss towards the pinnacle, that liberates you from the adversary.... For love is the only weapon to which he succumbs. You have to follow Me if you want to become free from his control.... And neither can suffering be avoided if your soul is to become bright and clear which, in its human incarnation, is still full of impurities because it is still in the domain of the one who changed his nature to the opposite, who thus can be called 'evil' in the true sense of the word and to whose nature you conformed when you deserted Me and followed him into the abyss of your own free will....

Admittedly, due to their process through the creations the tiny particles of soul have become much purer when they united again as the soul of a human being, but many impurities will still have to be removed, which can only ever be accomplished by love and suffering.... The forgiveness of your guilt of sin will indeed be guaranteed as soon as you acknowledge Me in Jesus Christ and appeal for forgiveness of it.... And that means that on your departure from this world you will find the gate to the kingdom of light open to you.... But the intensity of light that will then shine upon you is very different.... And you will be extremely happy if your soul can be completely permeated, if the light is not obstructed by any impurities which still have to be dissolved.... And because you can already achieve on earth that your soul will be bright and translucent at the time of its passing away from earth you shall also humbly and patiently endure all suffering on earth.... you always ought to bear in mind that it is only beneficial for the maturity of your soul, you should not try to evade all affliction and always pray 'Father, Thy will be done....' For I know why I let you walk the path of suffering and why I spoke the Words 'Follow Me....' If you always try to imagine that I have walked the path before you, which has been so much harder and more sorrowful than yours, then for love of Me you should accept everything I send or allow to happen to you, for that is the light cross you have to bear in your earthly life, which only ever benefits your soul.... Amen

Following Jesus: Bearing the cross....

You will always cross the bridge to the spiritual kingdom if you follow Jesus, the divine Redeemer, Who established this bridge for you humans and walked the path before you. He Himself bridged this broad gulf between the earth and the spiritual kingdom through His act of Salvation, He walked the most arduous and painful path to the cross and thereby built the bridge into the kingdom of light.... which can be crossed by every human being and will always lead to the right goal....

The path of following Jesus has to be taken, that is, just as He had accepted all suffering out of love for the wretched human race so the human being, too, has to take the path of love and suffering, he has to endeavour to follow Him in order to purge his soul.... even though the human being Jesus had taken all the guilt of His fallen brothers upon Himself and thus the immense original sin was redeemed through the crucifixion, through the act of Salvation.... His soul can only be cleansed and purified through love and suffering, and it has to accomplish this purging while still on earth if it wants to achieve the degree of light which guarantees its happiness. For the human being lives on earth in order to free his soul from all impurities, from all vices and longings, weaknesses and bad habits, which still cling to you as a result of your past apostasy, which it should and will be able to shed if it patiently travels the earthly path in suffering and makes an effort to live a life of love. For love is the most assured means of purification, love dissolves all impurities and layers which still burden a soul. And suffering.... humbly endured.... is likewise suitable to crystallise the soul, which then will become receptive to light and translucent when it enters the realm of the beyond.

For this reason Jesus spoke the Words ‘Whosoever will come after Me, let him take up his cross....’ No human being will be entirely spared suffering, even if the weight of burden varies with each person. Yet earthly life is not the ultimate fulfilment, it is only ever a preparatory stage for the true life in the spiritual kingdom.... And any load the soul is still burdened with on earth can only raise its beatitude in the beyond, providing it is humbly endured as God’s will. Thus the human being shall take the path of following Jesus of his own free will.... He himself has to want that his soul should attain greater maturity on earth, he consciously has to decide to follow Jesus, he also has to acknowledge His act of Salvation and make use of it for himself. For no earthly existence, no matter how sorrowful, will ever help the soul to achieve perfection if the human being does **not acknowledge** Jesus, if he does not make use of His act of Salvation and its blessings, if he does not believe in Him and the fact that it was **God Himself** Who accomplished the act of Salvation in the man Jesus. Then his earthly path can be as wretched as anything, but he will not derive any benefit from it for his soul, for he did not voluntarily ‘follow Jesus’....

However, the more you humans are filled with love the less you will be weighed down by suffering, for love is the best means of release, the fire of love will dissolve the soul’s every layer, it will melt away everything that is unclean and hardened, love will achieve the soul’s purification within a short time, and the extent of suffering can be reduced where love is already dealing with the soul’s purification process....

And therefore the human being will have to be of service to a large extent in order to express his love, for love impels people to be active, and as soon as it thus unselfishly applies to another person the human being will constantly perform labours of love, and then he will travel the path of following Jesus, Who time and again was likewise impelled by love to accomplish helpful acts, Who aimed to alleviate his fellow human being’s suffering and distress and used remarkable strength in order to help his fellow human beings.

And thus a constant willingness to help will be the path that follows Jesus, because it demonstrates love, which can only ever have a beneficial effect, both for the provider as well as for the one who accepts the help.... For love is the most Powerful, the Divine, which has to lead to the soul’s perfection without fail, which has to purge a soul and make it receptive to light.... love is the final objective on earth, because it leads to unification with the Eternal Love, because it restores the original state of the created being and therefore also guarantees supreme bliss, which the being then finds in closest unity with its God and Father of eternity, from Whose love it once emerged.... Amen

True Christianity....

A faithful Christian must also live according to his belief, that is, he must follow Jesus Christ, Who exemplified to people the right kind of life on earth and thus requires faith in His act of Salvation in order to be acknowledged by Him as a Christian. The Christian doctrine must be followed from the heart, for Christ requires love from people, a love which lacks self-interest and has therefore a redeeming effect, a love which is willing to make sacrifices, a love which Jesus demonstrated through His death on the cross. Thus, to be a true Christian means to shape one's inner nature into love in the belief in Jesus Christ, for the human being is incapable of this change of character without faith in Him. He can indeed believe in Him and yet not live in love.... In that case, however, it is merely a conventional faith, an intellectual faith, which may well give credence to the existence of Jesus, the man, and perhaps even His crucifixion, but which has no idea about the significance of the sacrifice made by the man Jesus on behalf of fellow human beings. For the understanding of this only comes to him when he practices love, because only then will his spirit give him the right understanding through his heart.... This is why 'being a Christian' first means to live a life of love, then the human being will also testify to Jesus Christ as the Redeemer of the world. However, a person lacking unselfish love will never be a Christian, even if he declares himself as such before the world.... For the concept of Christianity is not a question of believing that Jesus existed, the point is that the person **lives** as Jesus Christ had lived on earth in order to be able to rightfully call himself a Christian. This is why there is no true Christianity in this world anymore, despite churches and doctrines, for the spirit of Christ is missing. People are unredeemed because Jesus Christ can no longer be effective where love does not exist.... And love has completely grown cold among people.... Whether poor or rich, whether high or low, they all lack love, the most important aspect of Christianity....

People no longer make use of Jesus' act of Salvation; they stand outside the circle of those who died on behalf of Jesus Christ. They certainly see the cross because they cannot deny Jesus Christ, the man, and His crucifixion, but it has become utterly irrelevant to them, they merely speak words without meaning and strength, because only love reveals the understanding in the first place but love has died away. For such people Jesus Christ died in vain on the cross and yet they call themselves Christians.... Not one of them realises the significance, not one of them makes the effort to be a **true** Christian, and many people contemptuously look down on those who, in their eyes, are heathens or unbelievers because they are not part of an official church or community.... And all these will one day have a dreadful awakening if they depart from earth in an unredeemed state and are required to give account of their way of life, if their degree of love is so low that it emits no ray of light on entry into the kingdom of the beyond.... Then they will have to look for the Redeemer of humankind first and will hardly find Him, because they will have lacked the right faith in Him and yet, without it they will never be able to become happy.... Oh, if only you humans knew what you are giving away on this earth because of your half-hearted attitude towards the most important things.... if only you knew how bitterly you will regret it one day.... You will never be able to become blissfully happy without love.... You must travel your path on earth as true Christians, you must follow Him, that is, keep His commandments, only then will your faith in Him be a living one, only then will you profess Jesus Christ before the world.... You will stand up for Him and, having been redeemed by Him, also be able to provide your fellow human being with the right explanation as to the fact that and why He has to be acknowledged, as to fact that and why eternal life is not possible without the redemption through Jesus Christ and that only the right way of life in the spirit of Jesus will be valued before God and not the outwardly displayed Christianity which, in truth, is no Christianity at all.... Amen

True Christianity.... Following Jesus....

I want to provide you with an addition so that you realise how exceptionally important it is that you acknowledge Jesus, the son of man, as God and Redeemer of the human race.... My love for you humans did not want you to stay in sin, isolated from Me, which caused your wretchedness. I Myself was unable to approach you since in your state you were incapable of enduring My presence or you would have perished in the fire of My love. Nevertheless, without Me it was impossible for you to be saved, and therefore I had to approach you in a concealed way, certainly influencing you with My strength of love yet in a garment which would not frighten you, from which you would not have had to escape.... in a garment which was similar to your own.... I had to approach you as a human being.... First, you should understand that the reason why I had to come to you was to help you. Then you will also understand why I came in a form similar to yours.... Yet even this stay of My Divinity in a human being had to proceed according to law, which was certainly possible but it was unknown to you.... that My spirit of love was able to manifest itself anywhere as long as the basic requirement had been fulfilled.... where **love** was present. Thus Jesus, the human being, offered Me the opportunity to manifest Myself in Him by living a life of love, for I can only be in My substance where love exists.... Divine love wanted to help you and therefore chose a form in which it was able to take abode without contravening the law of eternity which, however, would have happened had I embodied Myself in a sinful human whose love and will were opposed to Me. **Love** wanted to help you and since Jesus, the human being, was full of love He accomplished that which was of help to you.... He atoned for your guilt. Being a God of justice I was unable to simply write off an offence which had not been atoned for yet, but I was able to accept atonement accomplished on your behalf but only if it was carried out voluntarily and for love. This is what Jesus, the man, did and thereby became your Redeemer.... I, the eternal Love Itself, was in Him and therefore **love** made the said sacrifice.... I Myself died for you on the cross, for I Myself was in the human being Jesus.

You ought to look at the act of Salvation from this point of view, then you will also understand that you can only receive salvation if you believe in Jesus Christ as the Saviour, but this requires you to comply with His teaching, to follow him, otherwise your belief is a mere play of words, for true faith will only be brought to life through love.... If you want to be known as Christians then you must make an effort to live a life of love; you cannot adopt this name for yourselves if you live in complete opposition to His teaching, and His teaching requires love for God and for the next person. Thus, to be a Christian means to conduct yourselves in a Christian spirit, like the human being Jesus did on earth, to practise selfless neighbourly love and to always remember that you can only be redeemed by acknowledging Him as the Son of God and Redeemer of the world.... and by demonstrating this through living a life of following Jesus.... Amen

Spreading the Gospel.... Jesus Christ....

Every person who proclaims the Gospel to the souls.... who tries to bring My Word consisting of the divine teachings of love to his fellow human beings, contributes towards their redemption.... Everyone who reminds his fellow human beings to love proclaims this Gospel when he simultaneously teaches that these are the most important commandments I have given to people, and when he informs them of the results of fulfilling these commandments. Everything that contributes towards educating people to love is already redemption work, because the human being redeems himself through love alone and because love has to be practised in order to thus enable the salvation of one's own soul.... For love will always seek contact with Jesus Christ, the divine Redeemer, Who only now can bring true redemption to the person believing in Him....

The human being has to find Jesus Christ without fail because redemption without Him is impossible.... And thus every person renders redemption work if he points or leads his fellow human beings to Jesus Christ.... This is vineyard work, it is a spreading of the seed.... which is the divine teaching of love.... into the human hearts. It is a conscious effort performed by a person for the benefit of his fellow human beings' souls.

Anyone who has found Jesus Christ himself, who has found redemption from sin and death through Him, will then not grow tired of proclaiming Him to his fellow human beings and will also help him to become redeemed.... anyone who has found Jesus Christ will not rest until his fellow human being has found Him too, and thus he will keep talking about love and inspire his fellow human being to also take the path of love which has Jesus Christ as its goal.... He will not rest until the other person has also found deliverance from sin and death.

As long as the human being is still distanced from the divine Redeemer Jesus Christ his love has not yet become powerful in him, for this love knows and acknowledges the divine Redeemer and cannot help but proclaim Him.... And he who has found Jesus Christ can't help himself but to proclaim His Gospel of love to everyone he comes into contact with.... He will be constantly active on His behalf and thereby lead many souls to Me, for he makes My Word accessible to them, which is the task of everyone who receives My Word himself, who desires it and to whom I therefore speak.... irrespective of whether this happens directly or through reading or hearing My Word. For it is always Myself Who speaks to you humans if you desire to hear My Word.... This is why proclaiming My Gospel is extremely necessary, and everyone will be blessed who accepts this mission of helping to redeem his fellow human being's soul, of making the knowledge accessible to him of how and why he has to be redeemed if he wants to become happy one day....

Anyone who lives with love has found Jesus Christ and the light of realisation shines in him.... but anyone who is not yet redeemed has to be educated, the image of the divine Redeemer Jesus Christ has to be brought home to him and he has to be reminded to turn to and appeal to Him that he, too, should find redemption through Him and His act of Salvation.... And therefore every person spreading My Gospel throughout the world is blessed, for he leads long lost souls to Me who will find salvation through Jesus Christ Himself, Who has redeemed him, too, with His blood.... Amen

B.D. 6610, July 31, 1956

Proclaiming Jesus' teaching of love is urgently needed....

My Gospel shall be spread throughout the world.... I gave this instruction to My disciples while I still lived on earth, and I give My disciples of the last days the same instruction today, for it has become more necessary than ever to convey to people My Gospel, the Gospel of love, which is unfamiliar or no longer taken seriously by everyone, even though it is well known. People have distanced themselves from Me because they no longer live in love, thus I cannot be with them either. And a life without love will result in certain death for you.... Hence it has become imperative that people be informed, that My teaching of love is proclaimed to them again, that the danger they are in is brought home to them if they fail to live according to My commandments of love, and what they will achieve if they shape themselves into love....

My teaching of love has to be proclaimed to all nations of this earth, and therefore I send My disciples into the world again.... The teaching material I give to them and which they shall distribute is exquisite, so that people can once again be taught in the same way which I preached on earth as the man Jesus in order to bring salvation to people from their lifeless and constrained condition.

More than ever it has become necessary to emphasise the divine teaching of love, for it is observed far too little. What should be normal for people such as loving each other like brothers and doing for each other what is customary amongst brothers is no longer known to them, everyone just thinks of himself, and everyone regards his fellow human being as his enemy rather than his brother.... There is no community which unites with love, unselfish neighbourly love has almost disappeared but selfish love has grown ever stronger, and therefore people are at great risk of delivering themselves to death and having to linger in this sleep of death for eternities again.... but which they can escape if only love is kindled and practised in their hearts once more. For this reason I repeatedly prioritise love, I Myself constantly preach love; the essence of My Word, which is transmitted to you directly from above, only ever consists of love which motivates Me to help you, and which has to be practised by you, too, if you want to remedy your soul's hardship, if you want to wake up to life and not ever lose this life again.

And I awaken servants for Myself everywhere.... disciples, which I instruct again as during the time of My life on earth, disciples, to whom I proclaim My pure Gospel with the instruction to pass it on, because I know that people have to be informed of the Gospel of love, of their earthly task to deliver themselves from their bondage and darkness through unselfish love. For although people know My commandments of love they nevertheless speak of them thoughtlessly, they don't consider them in their hearts and act accordingly....

And therefore their attention needs to be drawn to them again, time and again they have to be spoken to and stimulated to act with love, they have to be told that they can only become blessed through love because only through love can they come closer to and establish the unity with Me, which has to take place without fail in order to be happy. And thus there is no other mission more urgent than this: to proclaim My teaching of love or to revive it again with reference to the One Who suffered for love and died on the cross. For all people have to be informed of Him Who exemplified to them a life of love, Who was motivated by love to endure utmost suffering and an excruciating death in order to save humanity from the night of death....

People shall only be taught to look after their fellow human beings with unselfish love, to approach them like brothers and to treat them like brothers.... Only that guarantees their own salvation, but a heartless way of life inevitably drives people into My adversary's hands, who is devoid of all love. Yet until the very last day of this earth My messengers will still preach love, until the last day they, as My disciples of the end time, will proclaim the Gospel of love, for only the person who accepts it will escape the end and experience My love and mercy to the same extent as he has practised it himself.... Amen

*

B.D. 7531, February 25, 1960

Distributing the divine Word....

You shall proclaim My pure Gospel.... There is great spiritual hardship amongst people who no longer hear My pure Word because they don't believe, because their faith is not alive or it would enable them to understand My Word wherever it is offered to them.... For if they requested it with a living faith then they would also truly receive the Word such that they could understand and draw strength from it. But people lack this living faith, just as the messengers lack the strength of spirit which would enable them to accept My Word directly from Me, or even allow Me to speak through the messengers to people Myself. For only the Word that is conveyed by Me has the strength to penetrate a person's heart and become effective. And thus you should mention everywhere that My Word is sent to you directly from above and that it can truly give you the blessing of the Gospel if you accept it gratefully and are not just hearers but true doers of My Word.

You should proclaim My Word wherever the opportunity presents itself, for people have to know about My Gospel, they have to know about My divine teaching of love, they have to know My will in order to live on earth accordingly, in order to fulfil My commandments of love and always use My Gospel as a guiding principle for their way of life. For only then can a change of character occur in the human being, only then can he shape himself to love and fulfil the purpose of his earthly existence. Hence I convey My Word from above to you humans time and again, hence I use every opportunity to reveal Myself to a human being in order to get access to all people through him, in order to inform everyone of My will and My commandments.

And whatever you humans can do in order to spread My Word, in order to carry it into the world, should be done by you, and your fellow human beings' attention should be drawn to the extraordinary grace bestowed on people by receiving My Word. You should acquaint them with the living God with Whom you should associate, Who wants to be accepted into your hearts and Whom you have to approach by yourselves if you want to unite with Him. You should inform them that I Am people's eternal Father and also want to be acknowledged by them as their Father.... You should encourage them to acquire a living faith and thus proclaim the commandments of love, the fulfilment of which will awaken in them a living faith and their spirit, so that they then will strive towards Me of their own accord and establish the union with Me because their nature has changed into love, and love thus strives towards love.... For it is the Eternal Love which reveals Itself to you humans, it is the Eternal Love Which longs for Its children, it is the Eternal Father Who bends down to you in order to inform you of His will. And the messengers of My Gospel will be blessed; they will experience My grace and My protection as long as they live on earth and also one day in the spiritual kingdom, for they have been faithful servants to Me who will receive their reward.... Amen

True neighbourly love: Passing on the divine Word....

You cannot accomplish a greater work of neighbourly love than unselfishly distributing My Word, the Gospel, which your fellow human beings have to know in order to travel their earthly path successfully. Spiritual work is not valued by fellow human beings because it doesn't generate earthly success, yet as soon as you are spiritually active, expect no earthly rewards and only impart to your fellow human beings what I Myself offer you from above.... you are truly doing works of neighbourly love which extend into eternity, for they are helping the souls to mature, they can prepare them for entry into the kingdom of light when the soul discards its earthly body and has to leave everything behind.... Then it will have spiritual possessions to take across into eternity. You shall provide and bestow upon others just as I have bestowed upon My disciples the bread of heaven, the water of life.... This is the greatest gift of love which you can give to your fellow human beings.... it is true neighbourly love if you unselfishly carry out the tasks which are necessary to pass on My Word, for I Myself want to address people through **you**, since they are unable to hear My voice directly.

People are suffering great adversity, for they only use their earthly life to acquire earthly profits and yet shall consider their soul, which ought to mature during their earthly life. Whatever you therefore undertake in order to lead your fellow human beings onto the path of faith.... whatever you undertake on My instruction in order to proclaim the Gospel to them is selfless neighbourly love and blessed by Me. You yourselves are not yet aware of the great gift which you receive from Me every day, you are as yet unable to estimate its value and its significance or all of you, who know about the working of My spirit, would eagerly distribute what is sent to you by My love and grace.

You don't realise that you are able to scatter seed which can bear glorious fruit.... you should not leave the seed unused, and you should always rely on My help, for where you get into difficulties My angels and guardians are ready to help and protect you, so that you can just do your spiritual work in order to bring help to those who won't find the right path without you. For there are still many I want to address through you, and to do so I only require your will to be of diligent service to Me.... I accept your service, for I Am only able to speak through a human mouth, given that people's state is already too unspiritual as to speak to them in any other way, and their freedom of will has to be upheld. Yet you shall derive strength from the fact that I promise you My support as soon as you are just willing to take care of your neighbour's spiritual adversity. There is not much time left, and the Words I speak to you will sound increasingly admonishing; however, you only need to entrust your will to Me and then you will also conduct yourselves in accordance with My will. And everything will sort itself out if you commend yourselves to Me with complete trust and only ever let Me reign.

Thus, all of you who are of service to Me, accept My blessing and work tirelessly in My vineyard, for the day is soon over and the night is approaching.... a turning-point is coming earthly and spiritually, the time of the harvest is coming.... the day of Judgment is approaching.... But first I still want to win souls over for Me, and you shall help Me and consider your neighbour with love.... You shall work for Me and My kingdom, you shall proclaim My name in the world and testify to My working in you, so that people will be able to believe and become blessed.... Amen
